

Maple Tree is a Christian Preschool and a ministry of First Reformed Church. The staff's relationship with Jesus Christ naturally influences their interaction with the students. The staff has been selected for their nurturing characters and dedication to Christ.

During our celebrations of Christmas and Easter center, we focus on God's Word, exploring why Jesus came into this world and the significance of His death and resurrection.

The staff feels called by God to this special ministry. They are grateful for this opportunity & praise God for this privilege.

Our philosophy

We believe each child is a unique creation of God, deserving of love and care. Maple Tree Preschool offers a safe, nurturing environment that fosters independence, intellectual growth, positive self-image, and social skills, preparing students for kindergarten and beyond. Our goal is to help children recognize their significance in God's world while partnering with parents in their journey of growth and discovery.

"You have invested in our home by helping us teach our kids about Jesus. 'Thank you' just doesn't feel like enough."
